

The 86th Annual
Warren County Farmers' Fair
Family Tradition

The roots of our Fair date back to four cold days in 1859, when 6,000 visitors traveled many miles and braved chilly October winds to view farm equipment, produce, animals, and very popular horse races at an event sponsored by the "Farmer's Mechanics & Manufacturers Association" of Warren County.

Over the years, the Fair was held under various names, on various sites, and never failed to be a great attraction. From 1876 when "Mr. Brugler's swines were especially fine", to the turn-of-the century when the crowds at the Belvidere Fair swelled to 18,000 fun-seekers, the Fair carried on its tradition of family entertainment.

In 1937 sponsorship of the Fair was assumed by the Warren County Board of Agriculture, Pomona Grange and the United Milk Producers.

Today the Warren County Farmers' Fair Association is proud to be celebrating 86 years! The Fair continues to provide eight days of educational & affordable family fun and entertainment for all tastes. And let's not forget the Hot Air Balloon Festival!

One thing everyone appreciates is the price! Admission is still as family friendly as it has ever been. So come on out and give us a try, if you have never been before.

The Fair offers a wonderful look at agriculture with 4-H & FFA involvement, animal shows and contests, farm exhibits and more. Over the years additional attractions have been added. This year the Black Cat Hell Driver Stunt Car show is on opening day Saturday, in the Main Arena. Advance tickets are available by mail order, for this show as well as both Demolition Derbies. Tickets for other Main Arena events may be purchased beginning Friday before the Fair opening day, and during the Fair, as supplies last.

Free concerts and musical entertainment, car and truck shows, thrill and kiddie rides and the ever popular Kids' Corral round out the Fair, making it attractive for all.

WARREN COUNTY FARMERS' FAIR

2024 BALLOON FESTIVAL

This year marks the 24th year of the Hot Air Balloon Festival in Warren County, NJ.

The balloon festival at the Fair was a vision of local pilot, Fred Grotenhuis. He grew up in Harmony Township and went to the Fair growing up. It was a family tradition, as it still is for many locals.

The Fair is now one of three balloon festivals in Warren County. People love balloon festivals and flock from as far away as 2 to 3 hours! The festivals not only bring spectators, but customers for many local businesses, including restaurants, gas stations, farm markets and other agritourism destinations. While here be sure to visit some of our hidden gems, or plan a trip back!

*Check it off your

Mass Hot Air Balloon Launches

Watch the mass hot air balloon launch in the evenings, around 6:30 pm (weather permitting). For those that are attending a Balloon Festival for the first time, balloon activity is subject to wind. This means that the balloons inflate when the air is most stable. During the day, when the sun is heating things up, thermals begin to form. As the sun starts to go down, the thermals settle down. At the Festival, the balloons prepare to inflate several hours before sunset. When planning your visit, please keep in mind most balloon activity starts around 6:30 pm, and plan your visit accordingly.

Tethered Balloon Rides

Every evening, as weather permits, tethered rides will be offered for \$30 per adult, \$20 for children ages 4-12. Ages 3 and under are free with paying adult. Exact times are based on the weather/wind on the field each day.

Please note tethered rides are weather sensitive and may require calmer winds than a free-flying balloon. Keeping safety in mind, we will begin as close to launch time as possible, and appreciate your patience. Generally they will begin shortly before or after the mass balloon launch. Tickets will go on sale at the Balloon Ride Tent, approximately one hour before estimated start time.

A portion of tether ride revenue goes to the Fred Grotenhuis Scholarships and Fred T. Grotenhuis Veterans Community Center project. Proceeds from the Veterans project will help install an outdoor gym at the recreational field in Harmony this summer.

Special appearances by **Fred G. Monster** on select days.

ALL BALLOON ACTIVITY WEATHER PERMITTING.

Traditional Arts Expo & Quilt Show

You are invited to explore several traditional arts as practiced today, in the Traditional Arts Building.

Whether a family tradition of "passing down the thimble" or a new hobby with no quilting familiarity, participants delight in showing off their art. The **Evening Star Quilter's Guild & Anderson Quilters** will have works on display, including the "Quilts of Valor". Visitors can talk shop with members about the art of quilting. Be sure to cast your vote for the "Viewer's Choice" by filling out a ballot while viewing the quilts.

The Expo features Rose Cottage, with handmade Raggedy Ann Dolls, as well as weaver, Lynn Vanassen. Lynn will be weaving on a table loom, have an assortment of looms & samples, and answer questions about weaving. Check out the work of Amy McKeever of Yarnfully Yours – a small crochet business that specializes in amigurumi, whimsical novelty plushies for all ages. Amy will be doing live demos showing these items being made.
